Heidelberg University: HAUS Scholarship for Bachelor's or Master's Students enrolled at U.S. Universities

Heidelberg Alumni U.S. (HAUS) is pleased to invite applications for the HAUS Scholarship. The stipend is available to one qualified student from a United States university planning to study at Universität Heidelberg. The scholarship award is \$5,000 per semester for Master's program students and \$3,000 for Bachelor's program students for the winter semester 2016/2017. We are seeking candidates with a strong academic background who can also fulfill the role of ambassador for HAUS upon their return from their study abroad experience.

Universität Heidelberg is consistently ranked as one of the best universities in Germany and one of the top rated institutions of higher education and research in the world. It has been distinguished twice as an elite university in the framework of the German Excellence Initiative. Universität Heidelberg is a research university with a wide range of study programs and a strong international orientation: about one-fifth of the university's 31,000 students and one-third of its doctoral candidates are foreign nationals.

With its landmark castle, Old Town and the Neckar River, Heidelberg ranks among the most beautiful cities in Germany. It is conveniently located just one hour south of Frankfurt International Airport.

“Having the opportunity to study at one of the most prestigious universities in Germany is both an honor and a privilege. The quality of education is simply outstanding. My professors are leaders in their fields of research, and my peers are world-class. The HAUS scholarship considerably eased the burden of finances, it also ensured a smooth transition during my move to Heidelberg, and offered a network of support for assistance and guidance.”

CAMERON CROFT, HAUS SCHOLARSHIP RECIPIENT 2015/2016 FROM THE UNIVERSITY OF OKLAHOMA.
